# Tower Hill (Supported)

We are a forward-looking company, adopting a "learning without limits" philosophy. This means that everyone working in our establishments has a passionate conviction that all our young people are able to achieve; we are optimistic about success and accept no restriction on what is possible with the young people in our care, and whose development and learning is in our hands.

1

*We believe in a 'no limits' approach to helping children and young adults.*

Tower Hill (Supported) is a provision providing supported accommodation for young people aged 16 and above, giving them access to vital support to develop their life skills further and lead to independent living as they move into adulthood. It is situated near our existing provision for young adults over 18. The supportive environment offers nurture, guidance and time to allow the young people to flourish, giving them opportunities to access further education, employment and to continue the development of life skills. The aim of the provision is to deliver high-quality support, making young people feel safe and secure within their surroundings with other young people, all working towards independent living.

- We believe in a 'no limits' approach to helping children and young adults.
- We believe in children's and young adults' abilities and potential.
- We believe in unconditional positive regard.
- We believe our young adults deserve fun and happiness in life.
- We believe in a 'can do' philosophy.
- We believe in success and learning from mistakes.
- We believe intelligence is multifaceted.
- We believe learning is a lifelong process.
- We believe creativity and imagination are the keys to developing passions and talents, and preparing for life in a rapidly changing world.
- We believe assessment of progress is based on improvements on 'previous best'.
- We are future orientated.

## Our Supported Accommodation service includes:

2

- Accommodation which is decorated, maintained and furnished to a high standard and overseen by the Support Manager.
- Personalised decoration of bedrooms.
- Maintenance of the property by our team.
- A tailored package to suit the needs of each individual; we run on a baseline of 10 hours support for each young person but can increase this if necessary.
- Each individual will have a key worker along with access to the wider team.
- Accommodation is available 365 days a year with 24-hour telephone support.
- Support to register with local health providers.
- Support accessing education, employment and training.
- Assistance with financial matters and help in establishing the financial support available to them.
